

Dental City Introduces Dental Fix to the Dental City team of Solution Partners for your Dental Practice

When you don't have time to deal with broken equipment, rely on Dental Fix, the Leader in On-Site Dental Equipment Repair.

Get your equipment back up and running with minimal down time.

Dental Fix combines centralized technological and account management services with a unique national network of locally owned and operated industry professionals. Each professional is equipped with "state-of-the-art" mobile service centers. Dental Fix delivers On-Site personalized service for all of your practice's repair and new equipment needs.

Whether it's a broken handpiece, a leaky sterilizer, a ripped, unsightly chair, faulty compressors or more, you can rely on Dental Fix's on-site repair technicians.
